## AGFC Wildlife Conservation Education

### Reporting & Record-Keeping Requirements

Below are requirements that must be followed to ensure a proper closeout of the grant. If you have any questions about these regulations, please feel free to contact our office.

- All projects must be completed within twelve (12) months after the date of the grant award. Extensions are not allowed under AGFC guidelines.
- Project funds must be spent on approved items listed in the award letter (unless a modification request has been submitted and approved). Modifications must be submitted to the Director of Rural Services. If you have any question about allowable expenditures, contact our office.
- All project expenditures must be documented. This includes copies of all invoices and receipts.
- Copies of checks or card statements used to make each purchase.
- Include pictures of your project
- Please give a physical address where the project is or where items/equipment purchased for the project are located. This address will be used for future site visits.
- Copies of any materials produced with grant funds
- Grant narrative detailing the following:
  - Learning objectives met with the project;
  - Number of students/participants involved in the development/completion of the project;
  - How the project enhanced educational experiences of students/participants;
  - Community involvement in the project;
  - Other sources of funding for the project;
  - Additional plans for the project.

Final reports must be signed by the school principal or conservation district conservationist and submitted to Rural Services within 60 days of the project's completion or within one year of the grant award, whichever comes first.

All unspent grant funds must be returned to Arkansas Game and Fish Commission. Checks should be made payable to the Arkansas Game and Fish Commission.
